JAI SHRI COLLEGE OF HOTEL MANAGEMENT AND PROFESSIONAL STUDIES

Regd No. : KAL0305

PROSPECTUS

Affiliated to KU, UK Open University, & BSS
(Medical Council of India, Nursing Council of India, New Delhi)

WE BEGIN OUR DAY WITH BLESSINGS OF GODDESS SARASWATI

Jai Shri College of Hotel Management And Professional Studies is a manifestation of academic heritage with strong belief in “Guru-Shishya Parampara”. At this temple of learning, the focus is on human values, academic excellence and composite personality development programs for enhancing the potential of individual student for growth at the national and international level, thereby making it a “student driven” institute of higher learning.

CHAIRMAN'S MESSAGE

Jai Shri College of Hotel Management and Professional Studies was established in year 2011 on Society Act of 21, 1860. Jai Shri College of Hotel Management and Professional Studies has completed five struggling years with the co-ordination and co-operation of you people and Uttarakhand Open University. The main objective of the college is to impart Hotel Management and Paramedical Education Science to the students of the District or abroad who seek admission in the college under various training courses in an improved atmosphere. Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial. Any Hotel Management and Paramedical College worth its name looks to optimize the productivity of global leaders.

Our college has set specific objectives and planned activities for achieving excellence in all spheres of our education. Experiential learning, technological orientation, social and environmental sensitivity are some of the special features of the hospitality programme offered by the Jai Shri College of Hotel Management and Professional Studies. The service of the college in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate. People who feel good about themselves produce good results and people who produce good results feel good about themselves. We also believe in total learning and sharing. I welcome you to Jai Shri College of Hotel Management and Professional Studies and feel good to get good education. I hope Jai Shri College of Hotel Management and Professional Studies will retain your believe in future.

Mr. Bhanu Prakash Joshi

Vision

Our vision is to build professionally superior and ethical professionals and to empower the world with a commendable work force adept at meeting the challenges of 21st century.

Mission

Unique excellence in education, research and outreach for the protection, restoration and promotion of health and hospitality. We focus on the delivery of health care in the context of the community and the population served. We train our students to look beyond at the health care in its widest sense and not just focusing on treating illness and injury.

Aims and Objectives

Our aim is to impart quality education for future hospitality professionals. We are known for the excellence in the field of hospitality education. As one of the most innovative and dynamic Hotel Management Institute, we are determined to create world class centre for Hospitality aspirants.

The institute aims to become one of the nation's providers of high quality teaching and excellence in research, to prepare the next generation of outstanding leaders in health science and hospitality.

To achieve excellence in safe health care practices. To design and implement innovative educational methods to train students, educators and scientist with the multi-disciplinary scientific research to develop latest health care technologies.

OUR HOSPITALITY INFRASTRUCTURE :

Cafe / Restaurant

Jai Shri College of Hotel Management and Professional Studies has developed the food and beverage lab, which is well equipped with all the modern amenities and equipment. Practical trainees feel delighted and keen to learn and do their practical assignments with great zeal and enthusiasm.

Mock Bar

We have a separate mock bar which is the center of attraction for its students.

Students

here learn pros and cons of beverage service and various bar operation, like bar

management, bar operation, inventories, building procedure, various garnishes etc.

OUR HOSPITALITY INFRASTRUCTURE

FOOD PRODUCTION LAB

Our food production lab is well equipped with all the latest catering equipments and appliances. The modern and advanced lab allows students to practice their skills in a professional environment setup by the college to give them a feel of working in the industry.

FRONT OFFICE LAB

We have a well designed front office lab with all the modern facilities. This modern lab provides a professional environment to the students while practising a role play or situation handling in concern with the practicals conducted in front office department. The gorgeous interiors and luxurious furniture sophisticated lighting at the lobby area with its beautiful reception counter is a delight for hospitality trainees to work.

HOUSEKEEPING LAB

The college also provide housekeeping Practical training in its magnificent and well maintained Guest room and practical lab. The lab is well equipped with all the modern equipment and amenities. Housekeeping department emphasize on the cleanliness, maintenance and upkeep of all the areas in accordance with the standards maintained in the hospitality industry.

LIBRARY

Jai Shri College of Hotel Management and Professional Studies has well maintained library with a large collection of text and reference books. The library is based on modern set-up with computer in it which supports study and research. Students are also encouraged to use journals, magazines and periodicals available. It is treasure of resources where expensive and rare books are available which a student can consult.

The Computer lab is equipped with the hardware needed to support teaching and research in areas of expertise within the

College. This lab is used by our students for making presentations, logbook, and various format related to the course curriculum.

BAKERY AND CONFECTIONERY LAB

Those sweet smelling delicacies and tempting dishes are not a piece of cake to make! One requires certain skill sets and understanding to excel at the art of making food. At our Bakery and Confectionery Lab we assure to inculcate required skills to make excellent baked products and confectionery.

COMPUTER LAB

The computer facilities of the College cater to the needs of students of the programs. Jai Shri College of Hotel Management and Professional Studies

offers many programmes of studying 'Hotel Management'. The aim of the College is to achieve excellence in all its academic pursuits. The College believes in the philosophy that 'Open and Distance Learning' (ODL) and 'Face-to-Face' learning cannot afford to have the two distinct sets of standards in terms of quality. Thus, the guiding norm of the College is to strive for value-based quality education for its learners.

If you have the willingness to help others with a smile, then a career in hotel management can be truly rewarding. A cardinal part of hospitality industry, hotel management has wide employment opportunities. Moreover, with globalisation gaining acceptance with more and more countries. The hotel management industry is truly becoming global. As hotel chain owners are opening new hotels in various big and small cities, requirement for trained hotel management professionals is huge. Although considered one of the most glamorous careers, hotel management requires professionals who can keep their cool even in the most challenging situations

1. Diploma in Hotel Management DHM :

Eligibility : 12th pass -

Course Duration : 1 Year to 3 Years.

2. Bachelor of Hotel Management BHM :

Eligibility : 12th pass

Course Duration : 3 Years.

For BBA course duration is 3 years and eligibility 12 th pass.

Job opportunities for hotel management course : More than 80% of hospitality graduates enter employment within six months of graduation in very good hotels of India and abroad. Popular areas of work include marketing, PR and sales, business management and secretarial roles. Just over 4% of hospitality graduates go on to further study, or combine study and work. They do this to either specialise in a particular hospitality-related function, or to broaden their opportunities and move into other career areas.

PARAMEDICAL INFRASTRUCTURE

PATHOLOGY LAB

Jai Shri College of Hotel Management and Professional Studies has a well equipped pathology lab which provides numerous opportunities for our students to become involved in cutting edge research. Professional equipments like incubator, analytical balance, light microscope, low speed refrigerated centrifuge, Freezer, pH meter etc are available. With the help of these equipments, the students can learn the use and functioning and care of these equipments.

MICROBIOLOGY LAB

Our microbiology lab is well equipped with modern microscopes and equipments designed to grow, identify and enumerate microbes. This helps in providing practical exposure to students in the field of microbiology. During the practical sessions in this lab, the students are able to practice microbiology before facing the challenges in the health care industry.

BIOCHEMISTRY LAB

Well developed Biochemistry lab provides facility to students where students can perform tasks related to the study of Biochemistry. With the help of this lab, the students get to examine various chemical process found in organism. This enables students to gain practical knowledge in the field of biochemistry. Students work in this lab while working on various projects in the institute. Materials from variety of sources are studied in the biochemistry labs in the medical field.

Diploma in Medical Lab Technology (DMLT)

DMLT, Diploma In Medical Laboratory Technicians Course

In order to operate these hi-tech equipments, technicians have to be well trained - there is a great demand for these people in all hospitals.

Eligibility for Admissions : A pass in 10 + 2 examination under science faculty such as PCB, PCMB, or CBZ.

DENTAL HYGIENIST

A dental hygienist is an oral health professional who works under the supervision of a licensed dentist. He is a licensed dental professional who is registered with a dental association or regulatory body within their country of practice. They are a primary healthcare professional who works independently of, or alongside dentists and other dental professionals in a team to provide full oral health care.

Career Requirements :

The typical degree required is an associate degree in dental hygiene. You may consider completing a bachelor or master's degree program if you are interested in advancing your career. Programs will focus on teaching you to use dental software, tools, and machines, and courses may include oral pathology, dental materials, radiology, infection control, pain management, periodontics, community dental health, and pharmacology. You need to develop solid interpersonal skills; dental hygienists work with patients on a daily basis and often have to explain dental procedures. You must also be compassionate, since patients may be in severe pain or be fearful of dental procedures. Working with instructors and students in clinical courses can help to strengthen these skills. Also, you will need to use good body mechanics.

JOB OPPORTUNITIES :

The majority of the 183,000-plus registered dental hygienists work in dental offices alongside dentists. They will usually see a patient first and clean the patient's teeth, removing tartar, stains and plaque as they brush, floss and scrape. The job market for dental hygienists is booming. According to the Bureau of Labor Statistics, the occupation will grow 19 percent by 2024, which is much faster than the average growth rate for most professions.

ADVANCE DIPLOMA IN X-RAY :

X-ray technicians utilize cutting-edge methods of imaging for visualizing the inside parts of human body. The images they come up with help the doctors or physicians to rightly diagnose and treat the ailments or injuries of the patients.

A X-ray technician takes the brief medical history, explains the procedure to the patient and answers their queries. The patient is positioned as per the requirement and other parts are covered or protected from radiation. As per the written orders from the doctors, the technician performs the procedure. X-ray technicians work with a wide variety of imaging technologies like traditional x-ray machines, computerized axial tomography (CT), magnetic resonance imaging (MRI), fluoroscopy and film and digital mammography.

X-ray technicians (also known as X-ray technologists or radiologic technologists) use cutting-edge imaging methods to visualize the inside of the human body. The pictures they create help physicians to diagnose and treat illnesses or injuries with great accuracy. Technicians have a unique opportunity to work with some of the most exciting and groundbreaking medical machinery available. They also get the satisfaction of assisting and supporting patients, including those who are nervous or in pain.

Job prospects :

After the completion of the course, they get opportunities to work in Government , private and public hospitals, clinics, diagnostic centres and other related areas.

Eligibility for Advance Diploma in X-Ray :

Students must have completed standard 12 th pass to apply for this course.

Duration : Duration is two years. Practical classes are held to give working knowledge to the students. Periodic assessments will help the students to learn the subject in a systematic manner.

DIPLOMA IN OPERATION THEATRE TECHNOLOGY (DOTT) :

Objective :

A Variety of electrical and electronic equipment are in use in modern operation theatres for monitoring anesthesia & surgical procedures. The success of the procedures and safety of patients depend largely on the reliability, smooth and trouble free performance of these equipments and skilled anesthesia. There is increased need for qualified and trained hands in the field. This course is aimed at satisfying this need of the state.

COURSE NAME: BSS DIPLOMA IN OPERATION THEATRE TECHNOLOGY

Duration of Course :

Two Years plus six months compulsory internship.

Eligibility :

Minimum Educational Qualification : A pass in 10+2 or equivalent there to, recognized by the Unive with Physics, Chemistry and Biology as optional subjects and a minimum of 50% marks for these subjects. 10% grace marks will be given for students with Diploma in Electronics/Instrumentation/ Biomedical as additional qualification.

Age limit : The candidate should be between the age group of 17-25 years. 5 years relaxation in the upper age limit for SC/ST candidate is allowable.

ADVANCE DIPLOMA IN PHYSIOTHERAPY

Physiotherapy is one of the fields associated with medical industry. New hospitals and clinics being set up every year in India, the demand for qualified professionals is increasing. Physiotherapy is one of the lucrative fields and there is no dearth of opportunities for deserving candidates.

Physiotherapists offer their services in curing various ailments like back ache, spondylitis, sports injuries, cardiopulmonary disorders, joint pains and children's disorders. Almost all the hospitals have a physiotherapy unit attached to them.

COURSE CONTENT :

Among the various subjects taught during the course, Physiology, Psychology, Sociology, Exercise Therapy, Nursing, Sports Physiotherapy, Clinical Observation, General Physiology, Allied Therapies and Community Based Rehabilitation etc are also included.

DURATION AND ELIGIBILITY :

To apply for this course, the student must have passed standard XII from a recognized board. It is a course for two year duration.

JOB PROSPECTS :

After the completion of the course, students will get opportunities to work in hospitals, private clinics, fitness centres, offices, colleges and sports clubs. After gaining relevant experience, they can set up their own physiotherapy clinic as well. Some of the job profiles include customer care assistant, assistant physiotherapist, lecturer, research assistant, osteopath and self employed private physiotherapist. Details of the admission procedure are given on the website. If you want to know more about the course, please contact us.

DEPARTMENT OF TOURISM

Department of Tourism is a unique department established to provide the best Travel and Tourism Management education to its students. The college conducts Diploma, Bachelor and Master's Degree programme in Travel and Tourism Management under the Umbrella of UOU.

Major segments driving employment in the Tourism Industry : Travel and Tour Operators, Online travel agencies, Car Rental companies, Hotels and Restaurants, Airlines Ground staff/Cabin Crew, Cruises, Embassies, Directorate of tourism, IRCTC (Indian Railway Catering and Tourism Corporation Limited), State tourism development boards etc.

JOB OPPORTUNITIES

Employment opportunities exist in both the public and the private sector in this industry. In the public sector, you can work in the Directorates and Departments of tourism of the center and the state, guides etc. In the private sector, on the other hand you can secure a job in a travel agency, hotel, airline, transport agency or a cargo company. Since this industry is a relatively new one, there are not a huge number of experienced individuals.

Hence, you can move up the ladder fast and establish your own agency after a few years. The key functions among travel agencies and tour operators are those of group tours, ticketing, itinerary preparation, product development and accounts. These account for 55% of all the employees in this sector. This number is estimated to grow to 0.16 million by 2012 and 0.22 million by 2018. Travel trade is estimated to employ 0.3 million by 2022, leading to an incremental human resource requirement of 0.14 million.

After completion of any of the above mentioned programmes the professional's gets may easily get the salary between 10,000 /- per month to 15,000/- per month easily on an average depending on the caliber of the individual.

1. Bachelor of Tourism Studies BTS

Eligibility : 10+2

Min Duration : 3 Years.

2. Master of Tourism Management MTM

Eligibility : Graduation in any Stream

Min Duration : 2 Years.

HOSTEL FACILITY

The College Hostel, consists of two blocks, one each for boys and girls. It is a residence hostel for full time graduate and postgraduate students admitted to Jai Shri College of Hotel Management and Professional Studies. All community areas like dining room, common room, recreation room, wash room etc., are provided separately for boys and girls. The Hostel Committee, under the Chairmanship of Chairman, frames the rules and regulations of the Hostel from time to time and is the final authority in matters concerning the management of the hostels.
